DUAL VIDEO CAMERA

This borehole camera offers a twin view set up allowing the operator to switch between either a forward or side view camera. The side view camera has an infinite 360° rotation along with view orientation.

The survey is recorded onto both DVD and computer hard drive - the DVD is available at the end of the survey for the client to take away.

The camera unit has a built in orientation system.

Specifications

Size: 1400 x 65mm
Weight: 10kg
Max. temperature: 70°C
Max. pressure: 200bar

Operational Conditions

Minimum diameter 100mm
Dry or **clear water** filled
Unlined, steel or plastic lined

Logging Conditions

2 - 5 m/min
